SUBJECT: ASBESTOS MANAGEMENT

Harmony Independent School District maintains a complete Asbestos Management Plan for each facility. The Management Plans have been developed and are maintained in accordance with the EPA Asbestos Hazard Emergency Response Act, (AHERA). In accordance with the AHERA standards periodic surveillance is conducted every 6 months. Every 3 years a reinspection of our facilities is performed by an EPA Accredited Asbestos Inspector. In addition to this reinspection, a review of our Management Plan is performed by an EPA Management Planner.

Copies of the reinspection report and management plan update are available for inspection at the Superintendent's office during business hours.
